To our wonderful Executive members,

We are moving into this semester very quickly. I ask that you all keep constant and consistent communication with me and our fellow Executive members. This includes being present and aware of the different aspects of our society- on our FB Executive page, FB Alpha page, our AGS website, our Weebly page, at our planning and general meetings.

Furthermore, I ask that you all gain access to our calendar. **Please make note of the events coming up, and prepare yourself to take on the responsibilities of your position.** Although it is my duty to administer the cabinet's duties, I expect each Executive Member to be fully aware of the upcoming events and have thought out ideas regarding how your position will make a positive impact for each.

I look forward to an amazing semester with you ALL! Xoxo
