COMMITTEES INFORMATION

BLOOD COMMITTEE/ BE THE MATCH COMMITTEE:

Looking to volunteer for a good cause? Interested in helping others help save lives? Well if you said yes to any of those, then the Blood Committee can use your help! Members who join the Blood Committee will help the American Red Cross organization in encouraging students to sign-up to donate blood. In addition to the CS hours members will receive, members in the Blood Committee can receive a letter of recommendation from the organization that can be used when applying to colleges. Plus, why not help save lives! We all have a lot of blood and sparing some of it to help numerous lives can be life changing. As for Be the Match Committee, you will be working with the Be the Match organization in asking students to help those in need by donating bone marrow. We know it seems really scary, but people won't actually be asked to donate bone marrow **UNLESS** they are match for someone else in need. Members will be in charge of having a booth several times a month. Sign up for these committees on your MYAGSPCC account! ****If you join, you can get a letter of recommendation for transfer colleges****

BE THE MATCH COMMITTEE**

Be the Match committee is looking for more AGS members to join! We have many Be the Match Recruitment Drives coming up so we're looking for members to help out. Not only will you be able to gain experience with the organization, but you will also gain many opportunities to earn CS and AGS hours. Also, your commitment to this committee will also give you an opportunity to receive a recommendation from the Be the Match organization. So please join! It will be a great experience! If you have any questions regarding Be the Match, please contact **Thomas Won** at agsblood@gmail.com
