### Fall Conference 2014 Information

Hey Alpha,  
This semester's Fall Conference is right around the corner! If you would like to get an opportunity to listen to some inspirational and successful speakers, mingle with other Chapters, and get some time to bond with other members from our own chapter, then fill out the Fall Conference 2014 App that can be accessed by downloading the file on the Alpha Bits Blog: <http://alphabits.weebly.com/home/fall-conference-2014> or downloading it on our website here: <http://www.agspcc.org/resources/docs>

Fall Conference is a conference held for the Chapters within the Southern Region of California. This event includes speakers of whom could be past AGS alumni, or successful entrepreneurs, or even professors that have all refined their skills in a certain field. These speakers are here to inspire AGS members and encourage them to pursue a major or career that their heart desires. In addition, many of the talks that will be held on this day will have many underlying life lessons and career tips that could benefit you in your future endeavors. In addition to the talks, there will be a few opportunities for you to mingle and meet with AGS members from other chapters. During breakfast and lunch, small activities will be held that can be a means for you to meet some pretty awesome AGS people. So spend your day with us and have a good time! Did I mention that you can get some AGS hours for participating in the event? That's right!
