Attendance Cards

*You are responsible for your stampcard. Bring it to every meeting in order to receive credit for attendance. \$2 replacement fee.

Hey Alphas,

We're introducing a new way of recording attendance! ☺ Are any of you aware of those loyalty cards? You know the cards that you get (for free!) at yogurt or boba places? You buy one item and you get a stamp...get up to 8 stamps or so and you get something for free. Well, we were inspired by those loyalty cards to make our own version of it. Introducing the **Alpha Attendance Card!**

For every meeting, you will need to bring your Alpha Attendance Card. When you enter, you will need to get your card scanned by members of our Executive Board and the Recording Committee. The purpose of the scanning is to keep on AGS records that you attended the meeting. It is also the way for you to get meeting credit. After the meeting is over, you will get your card stamped:

- **A red stamp is for members who wore AGS apparel that meeting.**
- **A black stamp is for members who attended the meeting, but did not wear AGS apparel.**

The purpose of the stamp is so that members can keep track of their own meetings. ☺ With the hectic schedule of our Recording Secretary and her committee, sometimes meeting credit will not be recorded on the AGS website consistently. Therefore, having this stamp process will allow you to know how many meeting credits you have. ****Note: Those members who have credit for wearing AGS apparel will not see this reflected on the AGS website immediately. Instead, AGS apparel credit will be added when the member turns in his or her attendance card****

Want to go to more meetings? Our attendance card has 8 squares, but the requirement is only 6. If you attend 8 meetings, you can turn in your attendance card to be entered into a raffle that will happen at Fall Banquet.

It's a new way to do things, so please be patient with us as we adjust to this new process. ☺ ☺ ☺ If you have any comments, questions, or concerns about anything, let us know on our "Contact Us" Page on our Alpha Bits Weebly Blog.
