Events Through Your Perspective: Member's Corner

"Your Family or Mine" TV Taping
"The Couch"

The TV taping show, Your Family or Mine, that we watched on September 19th, 2014 was an amazing and fun experience. Not only that the show was hilarious, but it was great seeing the actors and actresses make the episode. We were lucky to see the guest star Amber Stevens who was also in the big film, 22 Jump Street. The setting was very comfortable with a very entertaining host who gave out prizes and always made us laugh in between cuts. Also, they fed us pizza towards the end of the filming. This is the second time I have been to a tv filming at Sony Studios and it never let me down, it was constantly entertaining. I would definitely recommend to watch one of the "Your Family or Mine" filming. Very funny, constantly entertaining, and a great experience to see how they make these sit coms. Make sure to sign up for a filming, you won't regret it!
